CORPORATE
MEMBERSHIP

Dear Colleagues,

It is my pleasure to invite you to become a WIE 2023 Corporate Member.

Women in Endoscopy Association (WIE) is the global organization that champions the advancement of women through education, professional growth, and leadership development. Pushing the boundaries of endoscopy research, practice, and education WIE is meant to be a resource for those who believe women should play a greater and more visible role in the field of endoscopy.

Corporate membership offers collaboration through networking events, educational programs and webinars. Our new WIE Connect online member community offers mentoring and speaker directories along with ongoing topical discussions. Members and corporate members alike now have the opportunity to share the wealth of knowledge and expertise that each holds for the improvement and advancement of endoscopy as a whole.

Thank you for your consideration of our request for partnership; we look forward to receiving your commitment. If you have any questions, please contact Lauren Johnson, ljohnson@veritasamc.com or 847-752-5920.
