PARTNERSHIP PROSPECTUS

INVITATION

Dear Colleagues,

Over the past few years, the climate for women in gastroenterology and endoscopy has been one of inspiration and hope with increased possibilities on the horizon. Women in the field, from trainees to those in practice, have new paths to take to reach their professional and personal goals. It has become increasingly apparent that as individuals, we all have greater chances of achieving success by working together, elevating, and promoting each other as we navigate our paths to success.

Women in Endoscopy (WIE) has created multiple opportunities to support our continued mission and come together throughout the year to celebrate the hard work, achievements, and enthusiasm for the future of the Society. We are inviting you, our industry partners to celebrate the role you play in creating this inclusive community, opening doors to opportunities, by helping us to continue to expand our mission.

Industry partners are an essential part of our Society's success, and we hope that you will continue to support our initiatives. We have included information and registration forms for the opportunities we have available for sponsorship, including an invitation to join our Corporate Advisory Board.

CORPORATE ADVISORY BOARD MEMBERSHIP

MAXIMIZE YOUR IMPACT THROUGH CORPORATE ADVISORY BOARD MEMBERSHIP

Women in Endoscopy (WIE) is a global organization that champions the advancement of women through education, professional growth, and leadership development.

WIE recognizes the need to effectively incorporate industry input into the activities directed towards achieving the mission of the Society. Our Corporate Advisory Board provides the vehicle for close communication between our Society leadership and companies that provide products and services in the field of endoscopy and support our mission. This collaboration ensures that we are able to offer our members innovative clinical training, mentoring, and professional opportunities to meet their individual goals.

We invite you to become a Corporate Advisory Board Member through the sponsorship options shown below.
